your nearest
shop

Westmorland
& Furness
Council

Working for **Cumberland Council** and
Westmorland & Furness Council

Refill shops are a fantastic, sustainable way to reduce waste, while only buying only the amount you need. So they are kind to the environment and your budget! Many stock environmentally friendly brands and offer a green alternative for cleaning and cosmetic products and are a zero-waste option.

Look out for your nearest refill shop, take your empty containers and give it a go, you may even find it cheaper!
